GO_Biological_Process_2021
ERBB signaling pathway (GO:0038127)
detection of muscle stretch (GO:0035995)
mitochondrion transport along microtubule (GO:0047497)
alpha-beta T cell differentiation (GO:0046632)
positive regulation of protein kinase C activity (GO:1900020)
cardiac endothelial cell differentiation (GO:0003348)
cardiac muscle cell myoblast differentiation (GO:0060379)
positive regulation of macrophage proliferation (GO:0120041)
endocardial cell differentiation (GO:0060956)
regulation of protein kinase C activity (GO:1900019)
