GO_Biological_Process_2021
ERBB signaling pathway (GO:0038127)
heparan sulfate proteoglycan biosynthetic process (GO:0015012)
heparan sulfate proteoglycan metabolic process (GO:0030201)
ERBB2 signaling pathway (GO:0038128)
glycosaminoglycan biosynthetic process (GO:0006024)
gland development (GO:0048732)
positive regulation of cell migration (GO:0030335)
regulation of cell-cell adhesion (GO:0022407)
aminoglycan biosynthetic process (GO:0006023)
regulation of epithelial cell migration (GO:0010632)
