GO_Biological_Process_2021
ventricular septum morphogenesis (GO:0060412)
regulation of synapse assembly (GO:0051963)
positive regulation of neurogenesis (GO:0050769)
aortic valve morphogenesis (GO:0003180)
positive regulation of cell projection organization (GO:0031346)
aortic valve development (GO:0003176)
ventricular septum development (GO:0003281)
ERBB signaling pathway (GO:0038127)
axon guidance (GO:0007411)
negative regulation of synapse organization (GO:1905809)
