GO_Biological_Process_2021
ERBB signaling pathway (GO:0038127)
commissural neuron axon guidance (GO:0071679)
negative regulation of secretion (GO:0051048)
gland development (GO:0048732)
regulation of osteoblast differentiation (GO:0045667)
positive regulation of protein kinase C activity (GO:1900020)
cardiac endothelial cell differentiation (GO:0003348)
cardiac muscle cell myoblast differentiation (GO:0060379)
positive regulation of macrophage proliferation (GO:0120041)
regulation of protein kinase C activity (GO:1900019)
